

## CSI tools Recognized among 20 Most Promising SAP Solution Providers 2016 by CIOReview

**FREMONT, CA—February 29, 2016-** - CSI tools is honored to announce that it has been selected among 20 most promising SAP solution providers list of 2016 by CIOReview.

The annual list showcases the 20 most promising SAP solution providers 2016. The positioning is based on evaluation of CSI tools' specialties in helping clients to achieve efficient and better business solutions. The shortlisted companies were then taken up by a distinguished panel comprising of CEOs, CIOs, VCs analysts including CIOReview editorial board.

"CSI tools simplifies the complexity of SAP security with a unique approach, and we are glad that this approach is being recognized this year by CIOReview's panel of experts and thought leaders and market", said Jeevan George, Managing Editor, CIOReview.

### **About CIOReview**
